About PRO MOVING SOLUTIONS PVT. LTD. (An ISO 9001: 2015 Certified Company.)

Shiv Shakti Logistics Pvt. Ltd. established in 2001, India's premier express Air and integrated Transportation & Distribution Company, offers secure and reliable delivery of consignments to all major locations in India.

As part of the PMS (Pro Moving Solutions Pvt. Ltd.) accesses the largest and most comprehensive express and logistics network Pan-India, covering over 45 locations with own offices and offers an entire spectrum of distribution services including Air express, Full Trucking (FTL), Railway, Supply chain solutions (Logistics, Warehousing and Distribution).

The PMS team drives market leadership through its motivated, skilled and technical people force, dedicated air and ground capacity, multi-modal Logistics solution and value-added services to deliver unmatched standards of service quality to its esteemed customers.

SSL market leadership is further validated by valuable award and recognitions from customers for exhibiting reliability, superior brand experience and sustainability.

Our Competitive Advantages lies in:

- ISO 9001:2015 countrywide certification and Quality Assurance for our entire operations, products and services.
- More than 45 locations with own offices and skilled people force.
- Association with major Airlines for fastest Air movement across the India within 24 to 48 hours.
- Specialize to providing a multi-modal Logistic solution and provide fastest service.
- Every shipment is handled with personalized care backed by strong operational processes and systems.
- Dedicated professionals engaged in the following business verticals:
 - TCL (Temperature Control Logistic) movement of 2° to 8° and 15° to 25° Temperature Sensitive Products.
 - AIR movement of Ambient Cargo
 - Full Trucking
 - Railway
 - Logistics
 - Warehousing and Distribution.

Our Mission :

Is to provide integrated Logistics solutions and services designed to redefine the customer satisfaction, rationalize cost & time relationship and bridge the gap between “Indian Regents and International practices and standards” and designed to enhance the reliability of our operations and process efficiency, and add value to the customer through time and cost savings.

Our Vision :

Is to establish continuing excellence in delivery capabilities focused on the individual customer. We dedicate our sustainable leadership in quality services with safety, time bound, flexibility and innovation.

We work in an environment with impeccable blend of “planning and Execution” to meet the challenges and competition. We have a team who believes in themselves and their company, a team with a winning attitude. We are a learning organization, we value self-development.
